June exam information / policies

- Students only have to be in school for their scheduled exams/review sessions
- If students are in school when they are not taking an exam, they should be in the cafeteria or the Library for quiet study (no games or other nonacademic pursuits).
- Students are to be in Regular Dress Code for exams, though sneakers or sandals are allowed.
- Students do not need to be in dress code for review classes.
- Students must turn in their textbooks
 BEFORE taking their exam. Failure to
 do so may result in the student/
 parents being charged for their
 replacement. Textbooks should be
 returned to Mr. Kidder.

- Some teachers offer review sessions beyond what is listed in the exam schedule. Students should check with their teachers to see when these review sessions are scheduled.
- No cell phones, iPods, etc. are allowed in the Exam Room. These items must be checked in with the proctor BEFORE entering the Exam Room. Students having these devices during the exam face cancellation of exam and/or disciplinary action.
- Buses will pick up students at the usual time in the morning. The schedule for afternoon buses is listed on page 1 with the exam schedule with the following notes:
 - Alden, Depew, Cheektowaga, and Williamsville buses will only

- come at 2:20 every day.
- If students want to leave earlier or later than when buses arrive, they will need to provide their own transportation.
- All students, from every school district, who need bus service home must sign up for their bus in the Main Office BEFORE their exam. St. Mary's calls the districts each day to let them know how many students are taking the bus. If no one signs up, a bus will not be sent.
- No transportation will be provided on Friday, June 27, for the Freshman/Sophomore Field Trip to Darien Lake. Students must have their own transportation.

School Policies Regarding Course & Exam Failures & Summer School

St. Mary's parents and students should be aware of the following information regarding end of the year failures and summer school.

- All students returning to St. Mary's in September must be current in fulfilling graduation requirements for their grade level. Required course and/or Regents exam failures MUST be made up before September.
- St. Mary's policy for passing a course the overall average must be 65 or above and the final exam grade must be 55 or above.
- In order to receive Regents credit, the Regents exam grade must be 65 or above.
- The Counseling Center will mail failure notices on June 26 to all students who fail required courses and/or exams. This information cannot be given out by telephone. Summer school information will also be included with this notification.
- Registration for most summer school programs begins June 30, and classes for most programs begin July 7.
- Some public school districts offer summer school programs. Parents are advised to contact their local public school district for specific information about the summer school program for their specific

- district. Public school summer programs are available without extra fees to all private school students who live in the district.
- For students whose public school system does not offer summer school, or for students who would prefer another program, there are summer school programs that accept students from any school district. These programs charge a fee for each course.
- St. Mary's may be offering online creditrecovery courses. Contact the Counseling Center for more information.
- Occasionally a student seeks a private tutor instead of a summer school program in order to make up a course failure. Please note the following:
 - The tutor must be a teacher certified in that subject area. A copy of the certification must be submitted to St. Mary's Counseling Center.
 - The student must meet with the tutor for a minimum of 24 hours for a full credit course and 12 hours for a half credit course. The tutor needs to submit a log of the hours to the St. Mary's Counseling Center.
 - The student must take and pass a final exam (that is provided or approved by St. Mary's) or the

- appropriate Regents exam. Those students who need to take a Regents exam must register at their district public school (or another site) to take this exam in August.
- The tutor should call St. Mary's Counseling Center to arrange contact between the tutor and the St. Mary's Department Chairperson to discuss curriculum and the exam.
- Please be aware that this is usually much more costly than any summer school program.
- By July 7 the Counseling Center needs to be notified where course/exams will be made up. This can be done by telephone (683-2349) or email.
- Counselors may also be reached at the above number to address any questions or concerns.

SPECIAL NOTE REGARDING MATH COURSE FAILURES:

Please consult with your counselor before enrolling in a summer school math class. Math course names and numbers differ from school to school. It is important that you enroll in the course that best matches the curriculum that you need to make up. For this reason you may want to consider private tutoring.

Awards Ceremony is June 9th

Each year, St. Mary's High School recognizes students at every grade level for their achievements both inside and outside of the classroom.

For freshmen, sophomores, and juniors, there will be a special awards ceremony that will take place on Monday, June 9, at 6:30 p.m. in the Gus Galasso Performing Arts Center.

This awards ceremony and reception are an event created so that parents can share in the recognition being received by the student.

Students that will be receiving an award that night have been notified by mail, so that families know whether to attend the ceremony. Families should let the Main Office know by Wednesday, June 4, if they plan to attend.

Service awards will be given out during a ceremony with students during the school day on June 11th.

Transportation Reminder

Several public school districts have contacted St. Mary's High School because many of our students have not requested transportation for the 2014-15 school year.

Bus transportation request forms were to be submitted to the public school districts by **April 1** for students who require bus service next year. These transportation forms were either included in the district newsletter or are available on the district's website.

Anyone who did not receive a transportation request form should call their school district, to be sure their children will receive transportation next year.

Note – Buffalo and Lockport students do not need to apply for transportation, as this is arranged through St. Mary's.

Campus Ministry Commandment 6.0

Often grouped together are the sixth and the ninth commandments. The sixth, "You shall not commit adultery" and the ninth, "You shall not covet thy neighbor's wife" both address the dichotomy between the virtue of chastity and the vice of lust.

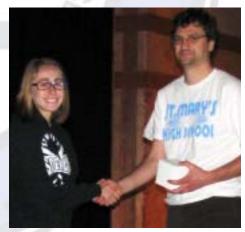

Chastity is the virtue by which one lives a morally pure life and manifests this life by developing a healthy sexual identity. Chastity empowers the individual to appropriate sexual behavior and expression relative to age, personal relationships, and commitment. At the opposite side is the vice of lust. Lust is characterized by immoral sexual behavior and its expression. In a society where hedonism seems to be a vanguard, the Church teaches that selfish, lustful behavior is sinful.

Finding the proper balance between these extremes can be a difficult task. The media, in all of their forms, use and abuse God's gift of sexuality for everything from selling tires (Bridgestone dancers) to evaluating an individual's self-worth. The values of purity, modesty, and chastity have become so dulled, so often, that we fail to recognize them. The boundaries they set are trespassed without any awareness that certain behavior is wrong.

The mantra from the 1960s, "If it feels good do it," permeates our culture. Our lives need the graces of prudence, temperance, and chastity to help us battle this daily struggle. God will provide if we ask.

Class of 2015 holding Senior Trip Fundraiser

The Junior Class of 2015 has been given approval to hold a fundraiser to earn money towards their Senior class trip and/ or their 2015 Senior class graduation fees.

The Senior Trip will be taking place in November 2014.

The fundraiser will be a 'July 2014 Daily Draw Lottery'. This fundraiser will give each student, who chooses to participate, the opportunity to raise funds for their class trip.

Lottery ticket sales will be tracked for each student, and, once the prize payout of \$1,150 is met, a portion of each ticket sold by the student will be allocated to that

student seller to be used towards payment of their senior class trip as follows:

- · 350-499 tickets sold; \$1.50/ticket
- 500-699 tickets sold; \$2.50/ticket
- 700-899 tickets sold; \$3.00/ticket
- 900-1,000 tickets sold; \$3.50/ticket Please note, it is anticipated that at

least 500 tickets will be sold.

Tickets are only \$5 each, with a maximum of 1,000 tickets to be sold. The more tickets sold, the higher the amount that will be allocated per ticket sold to the student seller's account.

For tickets, contact your favorite member of the class of 2015 or Mr. Kidder at kkidder@smhlancers.org.
