Dear Parent / Guardian,

The COVID-19 (Coronavirus) has created uncertainty all over the globe. With that uncertainty and an abundance of caution, **St. Mary's High School has decided to suspend classes... TEMPORARILY!**

With recommendations from the World Health Organization, the New York State Department of Health and the Erie County Health Department; to limit crowds of people from gathering, and emphasizing the need for "Social Distancing" we have determined that a school day setting is not ideal.

We will be closed through Easter Break... April 19<sup>th</sup>, 2020. Our goal is to reopen a clean and healthy environment on Monday, April 20, 2020.

In the meantime... **LEARNING MUST CONTINUE!** All of our courses will continue to be taught online. Every course has a Schoology / Google Classroom page. **ALL** students will continue **ALL** of their classes through these sites while we are out. Teachers will deliver content regularly; assignments will be turned in and graded. AP Exams are still schedule for early May and Final exams... including Regents, are still scheduled for June!

We will follow a similar format for all classes...

-
