

Hey there Lancers... Mr. Junik here with my Tuesday Distance Learning update! I hope all of you had a wonderful Easter weekend... I hope everyone is safe and healthy.

As for school, there are several things to update you on...

1. Faculty is back to work this week adding content to your schoology and Google Classroom pages. Please make sure you are logging in to finish this week's assignments. Office hours are also back now that the holiday is over.
2. Report cards will post tomorrow. Please make sure you log in to iNow today and double check your grades. Email your teacher directly if something looks off.
3. Seniors... Make sure you respond to my email from yesterday and nominate up to four of your classmates for the Marian Award. Voting will end tomorrow... so get in there and "Rock the Vote"
4. Lastly, please remember that school is back in session. Assignment 4 is due Sunday. Assignment #5 will follow. Make sure you keep up on all your work and submit in on time and fully completed. Seniors... you need to make sure your portfolio is well done and worthy of your graduation requirements!

Now is not the time to be complacent! Keep on keeping on...

Please make sure to email me if you have any questions or concerns. Please make sure to respond to any emails we send out, and please go out...ahhh I mean **stay in**, and have a wonderful and productive week.

GO LANCERS!
