Our thoughts and prayers are with those who really had a rough go of it with this past winter storm, especially those who lost loved ones. We will certainly be thankful to be together as a school family once again when the school year resumes Tuesday, January 3rd.

Come back to school refreshed and ready to hit the ground running for the second half of the year!

St. Luke's Mission Family to Family Christmas Program

Deacon Robb's religion classes are still accepting monetary donations for St. Luke's to purchase gifts for families that frequent the mission.

Any little bit will help make the holiday season brighter for so many families!

All donations can be turned into Deacon Robb directly.

Thank you!
