Some important pieces of information:

- Seniors taking AP courses are responsible to be in school for those classes throughout the date of their AP exam! Failure to appear for AP classes will result in the removal of the Portfolio Exemption.
- **ALL** portfolio pieces are due by April 27th. NO late assignments will be accepted! Portfolio grades count as both the fourth quarter and final exam grade for all courses, so 40% of each course's overall average. Please give each assignment its due respect.

## ***Attention Sophomore Students & Families***

### ***Sophomore Meetings***

Starting next week, the Guidance Counselors will be meeting one-on-one with all of the members of the Sophomore Class. These meetings are designed for the counselors to check in with the students, to see how they are doing emotionally, socially, and academically, and to answer any questions. Students got an email from Mr. Kidder for when they are scheduled to meet with their counselor. Parents - If you have anything that you would like the Counselors to talk to your student about, please feel free to share that information with your child's counselor. Questions regarding these Sophomore Meetings may be sent to Mr. Kidder ([kkidder@smhlancers.org](mailto:kkidder@smhlancers.org)).

### ***Attention Juniors & Sophomores***

The Counseling Center is excited to announce the return of the College Tour, where we will lead a group of students on a visit to multiple colleges and universities. This year, we are planning to visit schools between here and Boston, Mass., over a three-day period.

Due to sports, exams, performances, and end-of-year celebrations, we are looking to hold the trip the last week of June or the first week of July. The cost of the trip will be about \$500 per person (includes hotel, transportation, and all meals), though this may change depending on the number of people who sign up. Yes, parents are welcome to join us!

More information (including a list of colleges to be visited) will be coming soon.
